2.6. CT shall, at its own cost, install and commission the Equipment in accordance with the Agreement between Client and CT. 3. Order Acceptance, Postponement and Cancellation

3.1. No order or booking made by the Client shall be deemed accepted unless and until CT has issued a Hire Agreement or order acceptance signed on behalf of CT or by some other express act of acceptance on the part of CT or unless CT in its discretion waives any such requirement. 3.2. Client shall be responsible for ensuring the accuracy of any order but CT reserves the right to make changes in the manner of performance of Services to comply with health and safety and other applicable legal requirements.

4.2. Client shall pay Fees, notwithstanding that performance may not have taken place, to be received by CT in cleared funds on or before the date(s) specified for payment or, if none, on or before the earlier of

(i) 3 working days prior to date of supply of the Equipment or Services and (ii) 30 days from date of CT's invoice. It is a condition for CT to perform its obligations under the Agreement that each payment due under this Agreement is paid on time without any deduction, set-off or counterclaim. Any discounts quoted or agreed may be revoked at CT's discretion if payment is received after the due date.

4.3. If Client fails to pay any sum on the due date then, without limiting any other right or remedy, CT may: cancel or suspend provision of Services and Equipment to the Client under this Agreement or any other agreement between the parties; apply any payment made by Client (notwithstanding any express instruction by Client) towards the discharge of any sums due to CT under this Agreement or any other agreement between the parties; and/or charge Client liquidated damages (both before and after judgement) on the amount unpaid at the rate of 0.07% per day until payment in full together with all costs, charges and expenses reasonably incurred by CT (including legal fees) in recovering overdue amounts.

CT will provide timely notice to Client of any such increase. To the extent this Agreement has not been performed (but not otherwise), if Client following consultation with CT does not accept the increase and CT does not waive it, Client may cancel this Agreement by written notice given within 5 working days of notice of increase (but not less than 3 working days prior to commencement of Equipment hire or Services) whereupon Client shall forthwith settle all Fees incurred up to cancellation and indemnify CT in full against all other costs, charges and expenses incurred by CT prior to or as a result of cancellation.

4.5. As the Services or Equipment are rendered or provided for hire by CT at the Venue, it is both parties' understanding that there are, in the country where the Venue is located, taxes imposed on the Fees. In addition, CT shall comply with all tax laws and regulations of PRC and those of the country where the Client is incorporated, as well as the Double Taxation Avoidance Arrangement between the Government of PRC and the country where the Client is incorporated (if any).

4.6. CT represents and warrants that it shall pay the corporate tax in relation to any of the Fees according to the tax laws and regulations of the country where the Client is incorporated on its account without any recourse on the Client. Shall the Client be the withholding agent under the tax laws and regulations of the country where the Client is incorporated, it shall have the right to withhold the relevant taxes and pay the taxes to the competent tax authority.

5. Risk and Insurance

- 5.1. The Equipment shall be at the risk of the Client from the time of delivery at the Venue or, if earlier, delivery to Client's carrier, until its return to CT's premises or, if earlier, possession is taken by CT's carrier.
- 5.2. Client shall at its own expense insure Equipment with an insurance company of repute (naming CT as a loss payee): against all loss or damage (whether or not the Client's or CT's fault) in an amount equal to its replacement cost new; and against liability for any continuing Fees under Clause 4.1 until earlier of: return of Equipment to CT in good working order and condition (fair wear and tear excepted) or (if not capable of economic repair) its replacement with equivalent new equipment; or receipt by CT of payment in full of its replacement cost new and all other sums due hereunder.
- 5.3. Client hereby irrevocably authorizes CT in name and on behalf of Client (but at Client's cost) to make any claims under the insurance in respect of loss of or damage to Equipment; to settle or compromise such claims; and to receive and give good discharge to insurers for any moneys payable. Client shall not do or allow to be done any act or thing whereby insurance of Equipment may be invalidated.
- 5.4. If Equipment is lost or damaged, Client shall notify CT forthwith, assist in making appropriate claims under such insurance and not without CT's consent settle or compromise any claim.
- 5.5. Client will on request at any time produce to CT the insurance policy and receipt for current premium. If Client fails to keep Equipment insured to CT's satisfaction or to produce policy or receipt or if CT so agrees in writing, CT may insure Equipment, in consideration of which Client will pay CT further sum equal to 12.5% of CT's Fees (before any discount) for relevant Equipment or Services.

- 6.2. Where a support structure is supplied by the Client, Client shall ensure that the surface, on which the Equipment and structure will be installed, will be stable under load and that the structure will be fit for the purpose (taking account of prevailing wind speeds) and will comply with all health and safety and other relevant regulations and codes. Client shall provide CT on request with copies of certificates of compliance and structural engineering calculations verifying adequacy of Client's structure. Equipment dimensions and weights and representational drawings of structures are available on request from CT but are approximate and representational only and do not obviate the need for the Client to obtain appropriate professional advice.

- 7.10. not to sell, sub-let or otherwise dispose of or part with Equipment or any interest therein or do or permit to be done any act or thing which may prejudice or jeopardize CT's rights in the Equipment but to keep Equipment in its or CT's possession and control free from lien, charge or encumbrance so that Equipment shall at all times remain property of CT or its legal owner; Notwithstanding any other provisions hereunder or under any laws, Client hereby irrevocably waives any lien over the Equipment.
- 7.11. to permit or procure for CT or its agents access to any premises to inspect or remove Equipment.
- 7.12. to notify CT in writing of any change in Client's contact details and forthwith upon request to inform CT of the location of Equipment;
- 7.13. to comply with all applicable legal requirements when carrying out its obligations under this Agreement;
- 7.14. (notwithstanding termination of this Agreement) to indemnify CT and its affiliated companies and their respective officers, employees, agents and sub-contractors (together the "Indemnified Persons") and keep the Indemnified Persons fully and effectively indemnified against all liabilities whatsoever arising out of the operation and use of Equipment, the provision of Services and any breach by Client of this Agreement (including without limitation loss, damage or injury caused by any negligent act or omission or misconduct of the Client, its affiliates, its officers, employees, agents or sub-contractors or any claim that any such use or communication of any material infringes any patent, copyright, trade mark, registered design, design right or other intellectual property right of any third party) and against all costs, claims, demands, expenses and liabilities incurred by the Indemnified persons in connection therewith provided such indemnity shall not extend to liability for the Indemnified Persons' negligence.

8. Additional Client Undertakings (Dry Hire Only)

Client undertakes during the continuance of this Agreement and until return of Equipment to CT:

- 8.1. to inspect the Equipment and confirm acceptance in writing within 2 working days after the Equipment has been delivered, failing which it shall be deemed that the Equipment has been accepted by Client upon delivery;
- 8.2. to check Equipment before taking into use, to notify CT in writing forthwith of any repair or maintenance required to Equipment and not to permit such repair or maintenance other than by CT or with its prior authority;
- 8.3. to ensure Equipment is only used in a proper manner without risk to health and safety and not contrary to any law or for any purpose for which Equipment is not designed or reasonably suited; and not to make any modification to Equipment, open the outer case (unless required in normal use) or remove any notices or serial numbers on the Equipment.
