

tecViz Presenter

tecViz Presenter offers webcast solutions with synchronized slide which present your slides together with the camera feed for an optimized viewer experience. tecViz Presenter is ideal for digital events, council meetings, press conferences, company reports and other occasions where you want to combine video and supplementary information like presentation slides. The on-demand version is easily navigated through chaptered index.

SLIDES AND VIDEO

Synchronized slides during live webcast and in On Demand version.

INTERACTIVITY

Audience response activation by interactive tools.

STATISTICS

Viewer statistics for user data analyses.

CHAPTER CREATOR

Easy navigation through chaptered index.

BRAND CUSTOMIZED

Use logos and colors to match the event's graphic profile.

SECURITY

SSL encrypted video streaming with one way encrypted password.
