

VANTAA 1 STUDIO

ÄRRÄVAARA

Creative Technology's Vantaa 1 studio, located 30 minutes from Helsinki Main Railway Station or Helsinki-Vantaa Airport, offers perfect facilities for virtual events. The studio is permanent build so it is easy and fast to execute events.

Vantaa 1 studio facility is permanently equipped with:

- 120 m² studio with separate control areas and a cozy lounge
- Three HD cameras with operators (one of them is a crane camera)
- LED floor
- Stream technology and audio services
- Separate interviewing space
- Live link connections to additional locations
- 10 m x 3 m hi-res LED screen for electric backgrounds and Picture-in-Picture use.
